The Saint Paul Police Department Professional Development Institute is sponsoring a one day course designed for officers working undercover or plain clothes. This course will cover practical shooting and tactical strategies for the plain clothes officer. Tactical solutions for the use of cover and concealment, shooting and moving, and shooting from non-traditional positions will be covered. This course also includes a classroom presentation covering equipment, tactics, and issues related to what a plain clothes officer will encounter.

Equipment: Participants will need a concealable holster to fit their duty weapon, a means of concealment (jacket, sweatshirt, over-sized shirt consistent with typical plain clothes wear), baseball type cap, and eye and ear protection.

Ammunition: Each student will need to bring 1500 rounds of ball or practice ammunition as well as 200 rounds of LAWMAN RHT LEAD FREE FRANGIBLE (no other frangible will be allowed.)
